01 · REFER AND EARN

Unlock rewards with your network

Virtual Emily places bilingual remote executives from Colombia with US businesses. Every Emily is trained in Emily Academy, managed by an account manager and measured live on MyVirtualBPO, under a US contract.

You already know owners who are drowning in admin, customer messages, data or follow-ups. Introduce them to Virtual Emily, and we thank you for every one who becomes a client.

We hire and manage remote employees according to your job description.

02 · GROW TOGETHER

Two ways to earn

Help your network discover a better way to hire remotely. Pick the program that fits you.

Loyalty program

For current clients. Refer a US-based company and receive $500 for each successful referral, or a $500 discount on your next invoice.

Referral program

For partners: consultants, accountants, agencies. Refer our remote staffing service to your clients and earn $500 for each client.

Terms and conditions: the referral bonus or loyalty payment is issued one month after the referred client starts with Virtual Emily.

How to refer

- **Tell your account manager**, or email us the company name and contact.
- **We take it from there:** a free EMOP Diagnostic and three vetted candidates to interview.
- **You get paid** one month after they start.

03 · WHAT YOUR REFERRALS GET

An all-in-one staffing solution

Why the owners you refer will thank you.

Speed and quality

A pool of trained candidates across admin, customer experience, sales and RevOps, marketing, data and tech. Interview three in as little as 72 hours.

Lower cost

Up to ~70% vs. a comparable US in-house hire (varies by role). No recruiting fees; we handle hiring, payroll and local compliance.

Real support

A dedicated account manager for every Emily, plus tasks, hours and KPIs live on MyVirtualBPO.

Every plan includes the 8-week Emily Academy, a US contract and the free unlimited replacement guarantee for the entire duration of the agreement. Full time from $1,500/mo.

04 · IMPACT

You help transform lives

Every Emily is a formal, trained remote career for a young professional in Colombia, with benefits and a path to grow. Your referral is part of the Dignified Digital Economy: one million dignified jobs by 2035.

Emilys are perfect for task-driven roles, projects, coordinators and support positions.
